

Mural Dedication Ceremony

Tuesday, November 13th, 2007 - 1:00pm
Vince's Market

3250 Silver Lake Blvd

Corner of Silver Lake Blvd & Atwater Ave

Join Friends of Atwater Village for another Mural Dedication Ceremony, this time at the historic Vince's Market building, located at the corner of Silver Lake Blvd. and Atwater Avenue.

The mural's theme, "Past, Present and Future", recreates the Vince's Market building as it was prior to 1946. What is now Vince's Market was originally three separate businesses -- a beauty shop, a barber shop, and the market. The mural shows images of the everyday items and products that were found at a "superette" market, barber shop and beauty salon in the 1940's.

This mural project was funded by a Community Beautification Grant from the L.A. Board of Public Works.
